

THE CHALLENGE

St. Luke Presbyterian Church
Minnetonka, MN
August 2009

FROM THE DESK OF GWIN PRATT

CAN YOU SPARE 30 MINUTES?

I have this dream.

30 years from now, one of the two people who are writing the latest history of St. Luke will say, "You know, one of the most exciting periods of all was when the pastor for families, children and youth was called in 2009. Wow! Did that place rock then!"

The other then asked, "Why do you think it was like that? What happened?"

"Well, the person who was called was really talented. But, I think the secret was the incredible support the new pastor got from the members."

On July 12, an important sermon was preached about St. Luke's future. There were 130 people in church. That means a lot of us didn't hear what was said.

So, I have a favor to ask of you.

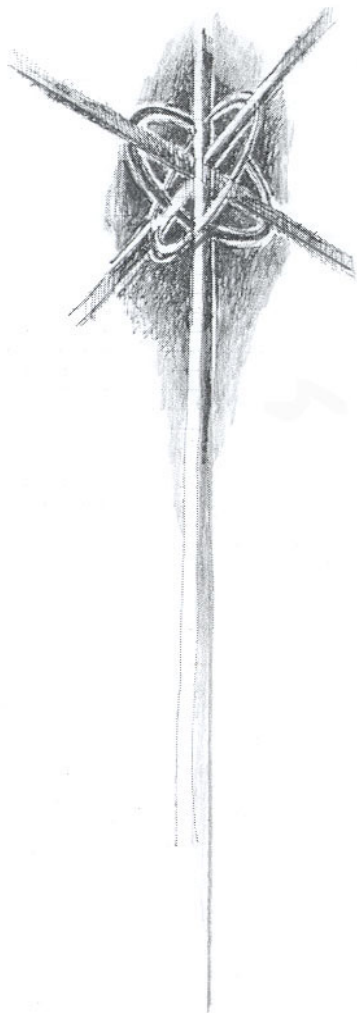

Can you spare 30 minutes?

Please, go to our website (www.stluke.mn) and find the sermon for July 12 (drop down menu for "Worship and Education", drop down menu for "Sunday Mornings", click on "sermons"), and listen to it..... "Do NOT Offer to Help God Cross the Street" ..23 minutes.

Then, do one of two things. Please.

If you disagree with the sermon, please email me, or call me, and tell me why. I really want to be the kind of leader who listens when I miss the mark.

Or.....

St. Luke is a joyful,
inclusive and
compassionate
community
on a
spiritual journey
seeking to do justice,
make peace,
act mercifully,
and to
walk humbly with God.

From the desk of Gwin Pratt continued from previous page

If you agree with what was said, please email me and Anne (anne@stluke.mn, gwin@stluke.mn) and ask us to put you on the list of volunteers to assist the new pastor when she/he comes.

Here is the end of my dream.

On the first day that the new pastor is at St. Luke, I will walk into their office, and hand them a sheet of paper. They will say, "What is this?"

I will answer, "It is a list with the names of 100 St. Lukers who are willing to volunteer their time, money, and talents to work with you."

I believe in this community...in our calling...in our future.

Do you?

Will you help?

Can you spare 30 minutes?

Gwin

Movie Salon

The Movie Salon will meet next on Sunday, August 2 at 11:30 in the West Room to view “The Bucket List,” in which two terminally ill men escape from a cancer ward and head off on a road trip with a wish list of to-dos before they die.

You only live once, so why not go out in style? That’s what two cancer- ward room-mates, an irascible billionaire (Jack Nicholson) and a scholarly mechanic (Morgan Freeman), decide when they get the bad news. They compose a bucket list – things to do before you kick the bucket – and head off for the around-the-world adventure of their lives. Sky dive? Check. Power a Shelby Mustang around a racetrack? Check. Gaze at the Great Pyramid of Khufu? Check. Discover the joy in their lives before it’s too late? Check!

Directed by Rob Reiner, the two great stars provide the heart and soul, wit and wiles of this inspired salute to life that proves that the best time of all is right now.

All are welcome – join us for popcorn or lunch. *Submitted by Linda Thomson*

BeFriender Ministry

“The friend who can be silent with us in a moment of despair or confusion, who can stay with us in an hour of grief and bereavement, who can tolerate not knowing, not curing, not healing, and face with us the reality of powerlessness, that is a friend who cares”..Henri Nouwen from *Out of Solitude*.

BeFrienders at St Luke provide care for adults in our faith community through confidential listening presence. Contact Pastor Gwin Pratt (952-473-7378), Lynn Cox (952-474-4270), or Judy Nelson (763- 416-5994)

Important Ministry – Free to a good owner

Would you like your own (round) corner of God’s green earth to tend and nurture? The circle garden near the main entrance of St. Luke is a mature garden with good bone structure, but needs someone or a team of someones to monitor the weeds and water. Let the church office know if you are interested.

’Nother Important Ministry – Free to a good owner

We are looking for someone to maintain the “Busy Bags” for our youngsters. (These are the bags at the back of the sanctuary that are available to entertain children during worship.) If you can help out with this, please email Sheryl Bjork at sherylbjork@hotmail.com. Also, a big thank you to Doris Betcher who has done this for the past five years—thanks, Doris!”

Ushers Needed

We're looking for folks to help with ushering. If you could help out once a month with this work, it would be much appreciated! And there are plenty of substitutes, so if you have to miss a particular Sunday, we have you covered! If interested, please email Sheryl Bjork at sherylbjork@hotmail.com. Thanks!

The Book Group

The St. Luke Book Group will meet at 9:30 am on Tuesday, August 25, at Gretchen Otto's, 2500 Sylvan Rd., Minnetonka 952-545-6191. We are reading the Pulitzer prize winning novel, *The Brief Wondrous Life of Oscar Wao* by Junot Diaz:

"A Dominican-American teenager who is lonely, loveless, and living almost completely inside his own head, Oscar is a 'ghetto nerd' whose multiple obsessions include comic books, fantasy fiction and supremely unattainable women. In a story that moves back and forth between the Dominican Republic and Paterson, NJ, Diaz illuminates the tragic arc of Dominican history in the lives of Oscar's sister, mother, grandmother and aunt. Shot through with witty cultural footnotes and touches of magic realism, this family saga is a work of brave originality." *Submitted by Liz Heuser*

Habitat for Humanity – August 10-14

St. Luke will be working on a house at 1918 Willow Avenue in North Minneapolis the week of August 10-14 from 8:30 to 4:30. Sign up in the entryway. Questions? Contact Arlene Nystuen, 952-934-2133, or Ed Schuck, edschuck4u@aol.com, or 952-249-0142.

FOCUS GROUP NEWS

Automated External Defibrillator (AED) installed at St. Luke

Thanks to a generous donation by Randy Betcher, St. Luke now has a new Automated External Defibrillator (AED) in the church, ready for use. The AED is located above the coat-rack just outside the west doors of the sanctuary, and is clearly marked. This is a fully automated device, and should be taken down and used any time you suspect an unconscious person is having a heart attack. Once turned on, it will instruct all proper steps, check for proper placement of electrodes, and monitor the victim's heart. It will allow a stimulation only if warranted by the heart rhythm signal. So USE THIS AED IF YOU SUSPECT A HEART ATTACK, and of course call 911 as well. I will be showing the instructional video after church in the coming months; we hope that 20-30 of the congregation will take the 10 minute training. The same overview video is available here: http://www.defibtech.com/downloads_videos.html, and you could watch this at home to be prepared. Please ask if questions. Rod Fisher, Building and Grounds Focus Group.

Update on maintenance at St. Luke

We're happy to announce that tuck pointing of the building's brickwork is complete. The project, at a cost of \$12,000, was to repair the bricks and mortar that have degraded due to water and ice over the years. This is the first time we've done this work since any part of the building was constructed. We were very lucky to find a local company who specializes in churches and who charged us half of what we expected to pay. They repaired much of our mortar, and replaced many bricks. You may notice that we didn't tuck point the garden court wall or the architectural wall to the east of the sanctuary, as these don't pose a water risk to the interior of the building and may be subject to alteration in the next decade. We are exploring options to improve the look of these walls without the expense of tuck pointing. The next big project anticipated for building maintenance will be roof membrane replacement, which will be required approximately 5 years from now. *Doug McNamara, brick project lead; Rod Fisher and Tom McMullin, Co-chairs of Building and Grounds Focus Group*

- Julie Mall for the library books for children and youth.

More Light Focus Group To Meet

Back in 1997, in reflecting on our denomination's official stance on GLBT issues, the St. Luke session wrote a Covenant of Intent, as follows:

"[...] The Session of St. Luke Presbyterian Church affirms our overarching love of God and God's son, Jesus. We joyfully acknowledge Jesus' primacy of teaching and example in guiding our own attempts to lead wholly Christian lives, doing God's work in the world.

We affirm our love for the Presbyterian Church (USA) in the Reformed tradition as a Christian denomination whose confessions and governance we have freely chosen. As a church, we affirm our scriptural and confessional character, as "a joyful, inclusive and compassionate community on a spiritual journey seeking to do justice, to act mercifully, and to walk humbly with God" (St. Luke Vision Statement).

We affirm, as a basic tenet of our faith, that Jesus' life and teachings proclaim openness to and inclusiveness of all peoples. We believe the addition of G-6.0106b to the Book of Order attempts to abridge that undergirding Christian principle. Also, it is itself internally inconsistent and renders the constitution of the Presbyterian Church (USA) internally inconsistent. The amendment seeks now to narrow and closely control by law and legalism what the broad, inclusive breath of the Spirit has for millennia proclaimed.

We affirm with the Westminster Confession that all synods or councils err. We believe that a stricture—internally inconsistent—cannot be legitimate and cannot be allowed to stand. We believe that G-6.0106b will be found to be in error, both in law and in the spirit of the life and works of Jesus.

Since it is not possible for any member of the Presbyterian Church (USA) to be in compliance with a conflicted, self-contradictory rule, we therefore affirm our intention to await its removal or recasting via the denomination's judicial processes or its wholesale removal by the majority will of the presbyteries.

As the Session of St. Luke Presbyterian Church, until G-6.0106b is altered or removed, we intend and affirm that:

1. We remain solidly within the Presbyterian Church (USA) and faithfully committed to full participation in the mission of the Church.
2. We remain a More Light church, as adopted by the Session in 1988, revised in 1992 and reaffirmed by the Session in 1997.
3. We join with other churches working together to make our denomination more open and inclusive and to eliminate patterns or traditions of discrimination.
4. We continue to practice full hospitality for all God's children in our life and work together as a community of Christ's disciples.
5. We extend ourselves as a Sanctuary Church to any persons who are being unjustly harmed or denied either their call into ministry or their right freely to elect their own leaders, pledging to provide emotional, practical and legal support to the fullest extent we are able.

The Covenant of Intent has been received, ratified, and signed this fourth day of June, 1997 by the Session of St. Luke Presbyterian Church [...]"

If you are interested in working on the third point, the More Light Focus Group is holding an organizational meeting on August 19 at 7:00 pm in the West Room. If you would like to help out but can't make the meeting, please talk to Matt Voytek, More Light FG chair, or e-mail him at mathiasjv@gmail.com, or talk to Gwin or e-mail him at gwin@stluke.mn.

The next *Challenge* will be published
Tuesday, August 25.

The deadline for submitting articles is 9:00 am on
Monday, August 24.

NEWS OF THE LARGER COMMUNITY

BRIDGING needs the basics

I am a volunteer weekly at BRIDGING, a nonprofit organization which provides free basics to set up a home when transitioning from homelessness or other unfortunate circumstances. If you have any used household goods to donate please call me and I will be happy to take your donations from church after Sunday services. BRIDGING does NOT accept clothing. Please call me with questions you may have and whether you have items for me to pick up at church. I will provide you with donation receipts and lists of acceptable items and those which cannot be accepted. BRIDGING will pick up large furniture items for a fee, but I am happy to take smaller furniture items that fit in my van. The economy has notably shrunk our donations so your recycled items will be GREATLY appreciated. THANKS! I will look forward to taking any of your suitable items after Sunday church services. Connie Blodgett, 952-949-2762

ICA Peanut Butter and Jelly Drive - All Summer

During the summer months, children who normally receive free and reduced lunches at school will be home. This causes a strain on the family food budget and ICA wants to assist those families in need. As part of a summer feeding program, ICA will be collecting peanut butter and jelly from May through August. Check for the special ICA collection box. Thank you for your generosity.
