

## **Library Corner- Earth Day and the Environment**

Read a book to celebrate Earth Day and our April focus on the earth and climate change. Our library has books for all ages about the environment, climate change, and green living, and even worms and compost!

Check out is for three weeks. Please return the item to the black bin just inside the library door within that time frame so that others may use it.

Enjoy!  
Julie Mall

### **Adults and Teens:**

Begley, Ed. *Living Like Ed: Guide to Eco-Friendly Life.*

Brown, Lester. *Plan B 3.0: Mobilizing to Save Civilization.*
